Application for the Direct Financial Assistance Program
- Information & Instructions -

The Direct Financial Assistance Program funds specific disability/medical items and services for people with mental and physical disabilities and chronic health conditions. Individuals must apply and qualify per NDAD guidelines to receive assistance.

As a charity, NDAD is a last resort funding source, meaning, all other financial options must be exhausted before NDAD will consider your request. If you are eligible for Medicaid, Medicaid Expansion, Medicare, patient assistance programs, private health insurance, or other entities, you must try these entities first.

Eligibility Guidelines

- You have a disability or chronic medical condition
- You are a United States citizen OR a permanent, legal resident of the United States
- You are a North Dakota resident OR a resident of an adjacent state living in a border town (MN – East Grand Forks, Moorhead, and Breckenridge only; SD – Lemmon only)
- Your request is a covered item or service
- Your request is not covered by another funding source
- You meet the client contribution*

  *Based on your income, you may have a client contribution to meet. A client contribution is a dollar amount that you must show NDAD that you paid towards out-of-pocket household medical expenses to qualify. If this applies to you, an NDAD Client Services Representative will contact you.

You will be notified if your request is approved or denied. Payment of item/service is sent directly to the vendor.

NDAD cannot grant every request. Funds are limited or request is outside NDAD guidelines. If your request is denied, NDAD staff will do their best to find an appropriate referral. NDAD has information and referral sources for many individual requests.

If your request is of high cost or you need assistance long term, NDAD would like to help you with a community fundraiser. **A generous match is provided!**

NDAD Community Fundraisers are put on by friends and family of a person(s) with a disability/health challenge for which NDAD acts as custodian of the funds raised. These funds can be used to help the person with urgent needs and expenses. The funds may also be used beyond the scope of NDAD's guidelines, such as helping with doctor, clinic, or hospital bills and/or used to pay pre-existing bills.

This service offers benefits in several ways. NDAD is a 501(c)(3) charitable organization, meaning funds donated to NDAD may be deductible for donors who itemize on their taxes.

Donations directly to an individual may cause that person to lose eligibility for various public assistance programs that are based on income. With NDAD as fund custodian, eligibility for public programs should be protected.

NDAD also helps to provide marketing and consulting expertise for fundraisers, which may include creation and copying of posters and letters and sharing information on social media.

The community fundraiser service is offered free of charge by NDAD. All funds raised are spent on the client's needs.

If you have questions, please contact the Client Services Representative at the office on the application.
