Healthcare Equipment Loan Program

NDAD

helping others to help themselves

NDAD provides access to durable medical equipment for up to 90 days at NO CHARGE.

You may borrow medical equipment if:

- You are recovering from a surgery or injury.
- You have a short illness.
- You want to try the equipment before you buy it.
- You are waiting on insurance coverage or other program assistance.
- You are a resident of North Dakota or neighboring community.

How do I borrow equipment? It's simple!

- Contact your local NDAD office
- No application process
- No financial qualification
- You must be able to arrange pick-up and return of borrowed equipment
