

HELP

Healthcare Equipment Loan Program

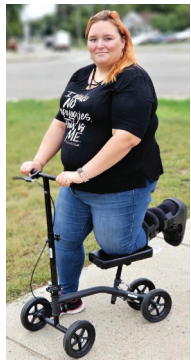

NDAD provides access to durable medical equipment for up to three months at *NO CHARGE.*

You may borrow medical equipment if:

- You are recovering from a surgery or injury
- You have a short illness
- You want to try equipment before buying it
- You are waiting on insurance coverage or other program assistance
- You are a resident of North Dakota or live in a direct bordering state community

How do I borrow equipment?

- Contact your local NDAD office for an appointment
- No application process
- No financial qualification
- You must be able to arrange pick-up and return of borrowed equipment
- Equipment must be returned clean and in working condition. The loan agreement is available at ndad.org

NDAD
helping others to help themselves
