

Dear Friend,

You are receiving this email because you have been identified as either a friend, colleague, co-worker or neighbor of Jeff and Anne Compton.

As you may know, some years ago Anne was diagnosed with Parkinson's Disease. During the time since her diagnosis, Jeff and Anne have worked as a team to minimize the impacts to their lives. It has been an uphill battle. Jeff continued to work with the Grand Forks Public Schools all while caring for Anne and this summer will retire after 28 years.

Anne's disease has progressed to the point where round the clock care is required. Jeff is closely involved with her PT and works with her daily. Unfortunately, this leaves little time for daily chores and housework, not to mention time for his own health. In addition, medical costs continue to add to the burden.

Many of Jeff and Anne's friends have asked the question, "How can we help?". Attached to this email is a flyer that will explain the NDAD fundraiser being held at King's Walk on June 15th. We hope to see you there. If you are not able to attend, you can simply log onto the website described on the flyer and donate, tax deductible (if you itemize), to help with medical and caregiving expenses.

For almost all their careers in education, the Compton's have dedicated their lives to the youth of this community. Jeff as a football and golf coach at various levels and Anne as an educator and administrator. This is an opportunity to give back to these two special people during a time when they need it most.

If there is someone you know that may not have received this email, please feel free to forward it to them. We are counting on word of mouth to spread the news of this fundraiser.

Thank you in advance for your generosity.
